A romantic wedding scene set in a lush garden. A bride and groom are seen from behind, standing on a manicured hedge. The bride has long, wavy blonde hair adorned with a floral crown and wears a white lace wedding dress. The groom is in a grey suit. In the background, several large, tan-colored teepees are pitched on a grassy field, with people visible inside. Tall, dark trees line the horizon under a cloudy sky. To the right, there are tall, spiky white flowers.
